22<sup>nd</sup> January 2019

Dear Parents/Carers,

Beech and Birch Classes

## RE: HEADLICE

Several cases of head lice have been reported throughout the school. Please check your child's head and include other members of the family when heads are checked, and let the school know if treatment becomes necessary.

Pharmacists will advise on the most suitable product to use should treatment be necessary, and it is most important that the manufacturer's instructions are followed closely.

In line with our policy, we may recommend parents to remove their child from school in order for treatment to be administered.

This is a continuing problem. Please continue to check your child's head regularly.

Many thanks for your help.

Yours sincerely

Miss Alesa Henham  
Headteacher
