Policy Statement on Equality & Diversity in Employment

1. Aim of Policy

The aim of this policy is to provide employees with a clear statement about the school's commitment to promoting equality and diversity within employment.

We seek to ensure that our working environment is one that respects and includes everyone regardless of their gender or gender reassignment; marital status (including civil partnership); sexual orientation; race, language, ethnic or national origins and nationality (including citizenship); religious belief; disability and / or medical conditions; age; whether they have dependants; trade union membership status and activity or political views/affiliations.

2. Scope of Policy

This policy applies to all employees within the school, regardless of how long they have been employed, their contractual hours and contract type.

Definitions

For us "equality" is about opportunity, access, participation and contribution on a fair and equal footing and providing a framework for this to happen.

The term "diversity" acknowledges there are differences between people and the school values and respects the variety of backgrounds, perspectives, values and beliefs of its employees.

3. Public Sector Equality Duty

The Equality Act 2010 places a statutory duty on the school to have due regard to the need to:

- Eliminate unlawful discrimination, harassment and victimisation;
- Advance equality of opportunity; and
- Foster good relations between people from different groups.

4. Links to other Policies

The Model Behaviour at Work policy sets out how we expect employees to behave toward one another and outlines the framework for addressing issues that are raised.

The WSCC Standards of Conduct sets out the expected standards of behaviour and conduct for all employees. *(Academies please delete this reference or replace with details of equivalent policy)*

All the policies mentioned above can be accessed via West Sussex Services for Schools.

5. Guiding Principles

- We are committed to providing equality of opportunity for all by eliminating discrimination. We will do this by ensuring that our practices reflect relevant employment legislation and good practice. Our employment decisions are based upon job related, objective criteria.
- We are committed to having a workforce that reflects the diversity within our community where everyone is treated with dignity and respect. *(Academies - delete if this is not a commitment made by the school in its Equality Scheme).*

6. Employee Responsibilities

All employees, irrespective of their role, have a personal responsibility to comply with this policy, associated policies and to abide by the Equality Act 2010, in dealing with each other, managing staff and in their relationships with children, parents, carers, governors and other stakeholders.

In particular, employees, must not:

- discriminate against colleagues, other workers, job applicants, children, parents, carers, governors or other stakeholders;
- bully or harass colleagues, other workers, job applicants, children, parents, carers, governors or other stakeholders;
- encourage or try to encourage another person to treat others

- unfairly or to practice unlawful discrimination;
- victimise people who have made allegations or complaints of discrimination or who have provided information about such discrimination.

We will not tolerate any of the above behaviours. Where employees commit an act of unjustified or unlawful discrimination, or allow discrimination to occur without taking appropriate action, then they could be liable to a claim being brought against them as an individual, for example at an Employment Tribunal. The employee could also be liable to disciplinary action for a breach of the County Council's Standards of Conduct, which could result in dismissal.

7a. Employment Policies

We will ensure that our employment policies, practices and associated guidance are fair to all by undertaking an equality analysis when we carry out employee related projects, policy developments and reviews.
