Dear Parents and Carers,

We are delighted to be able to share with you the outcome of our Ofsted inspection held on 21st and 22nd November 2023.

‘Parklands Community Primary School continues to be a **GOOD** School.’

There are a number of strengths that are shared below which we wanted to highlight and celebrate with you all.

Our inspector found:

- ✓ Pupils’ behaviour is good.
- ✓ Pupils are happy, confident and well mannered.
- ✓ The school has clear, consistent expectations for behaviour.
- ✓ Pupils’ treat each other and adults with respect.
- ✓ The school has a kind and caring ethos.
- ✓ Clear routines and high expectations support pupils to work hard and achieve well.
- ✓ Pupils learn to read with fluency and comprehension quickly and enjoy reading.
- ✓ Pupils make connections that develop and strengthen their understanding and this is particularly strong in maths and reading.
- ✓ Support for SEN Pupils is a strength of the school.
- ✓ Pupils’ take their learning seriously.
- ✓ The school is calm and purposeful.
- ✓ The school provides a range of opportunities to support pupils’ broader development.
- ✓ Pupils become effective citizens who make a positive contribution to society.

We are pleased that the inspector recognised the strong impact the new leadership team has had in a short amount of time. As with all inspections, there are a couple of points for us as a school to develop. I am pleased to let you know that we had already identified these points for improvement in our school improvement plan and will continue to develop our curriculum by identifying the knowledge and skills children need to know and ensuring that teachers are confident in order to deliver this.

If you have any questions and comments you would like to share regarding this report please email the office stating FAO of Miss Angeli and Mr Millican.

We would like to thank those of you that completed the parent survey and for your ongoing support.

Kind Regards,

Charlotte Angeli
