Maple & Mulberry Classes

Dear Parents/Carers,

This half term, Maple & Mulberry Classes are learning about the local coastline as part of their geography topic of "Secret Shores". To allow the children to learn from first hand experiences, we have organised a visit to East Head Beach, West Wittering on **Tuesday 30th April 2024**.

We shall be taken by coach to East Head Beach where we will be met by Chichester Harbour Conservancy Officers who will remain with us for the day. We will use their expertise to learn about concepts such as coastal land formations, coastal erosion and how the environment is managed.

The coach will leave school at 09.00am and return to school by 3.15pm. The children will need to wear suitable clothes for working on a beach (non-school uniform except for their school jumper), including a water-proof coat and a pair of wellies carried in a plastic bag. We ask that you also supply a packed lunch in a disposable bag. **Please remember that if you have ordered a hot lunch it will need to be cancelled for that day and a packed lunch can be ordered for eligible children.**

We are asking for a voluntary parental contribution of £20 per child towards this trip which can be paid via ParentMail. This covers the cost of transport and the Conservancy Officers. We understand times are hard but if we do not have enough contributions unfortunately the trip will not be able to take place.

Thank you for your continued support and we are sure the children will enjoy this trip!

Kind regards,

The Year 4 Team
