15th September 2023

Dear Parents and Carers,

I hope you are well and have had a good week.

This week, I started off the week with an assembly talking about new shoes. We discussed how sometimes change is uncomfortable, just like your new shoes, but soon they become your favourite pair. I know the children are beginning to be much more comfortable in their new classes and remembering the school routines.

I'm particularly impressed with how well our reception children have settled into school after a week of transition. I'd like to send them a huge welcome and well done, I am sure they will sleep well tonight.

During the week, I have visited all of the classes many times getting to know the school and all of your children. The children love showing me what they have been learning, which is great.

This week our new website went live. I hope you find this a really useful source of information. We are really pleased with how easy it is to use. If there is anything in particular you would like to see on it, please let us know.

Next week, we have our meet the teacher events. At 2pm, I will be available for a cup of coffee and an informal chat. From 2:30pm, the teachers will do a short presentation sharing some important information for the year ahead. For families with children in the SSC, I will be around from 9am.
