Pear & Poplar Classes

Dear Parents and Carers,

Year 5 Victorian Day

On Monday 16th October, Year Five will be having a Victorian themed day. This will involve recreating the atmosphere and activities of a Victorian classroom and it would be greatly enhanced if the children could come dressed as Victorian children. Below are some ideas to help but please do not feel you have to spend a lot of money on a costume.

During the course of the day, we will be undertaking a variety of activities to enrich the children's understanding of what Victorian school would have been like, including handwriting, singing, drill, art, recitation, sewing and maybe even a fingernail inspection!

We hope the year group will enjoy the day. Please do email or speak to your class teacher if you have any questions.

Kind regards,

Miss Marshall
